

# Launch Dashboard

Ensure your members are getting the most out of products and services offered by your MLS through a secure, single sign-on with the new Launch dashboard!

## With the Launch dashboard, MLSs can expect:

- Greater visibility for products and services offered through the MLS.
- 24/7 access with a reliable platform and consistent uptime.
- Improved business decisions through robust reporting on product usage and adoption.
- Quick and easy implementation to get up and running.

## While agents can experience:

- Faster and easier workflows through one secure, single sign-on.
- Customizable experience and user-friendly interface.
- A new, intuitive way to discover additional technology provided by their MLS.
- Five-star customer experience they know and trust.
